BY  
KENICHI  
SONODA

HAI-HI!  
FIRST IS  
MISS PS-SAN!  
DESPITE HER  
PLUMP BODY,  
SHE'S GOTTEN  
THROUGH WITH  
A FIRM  
FANSERVICE!

AND, OF  
COURSE, PETITE  
MICRO-SAN!  
AS FOR PEP-SAN,  
SHE'S MADE IT  
HERE THANKS TO  
THE SUPPORT OF  
HER AVID FANS!

SO THEN, THE  
FINAL ROUND  
WILL BE DECIDED  
BY THE VOTE OF  
OUR FOUR  
ESTEEMED  
JUDGES AND THE  
FAN POLL!

PLEASE  
LISTEN  
AS WE  
INTERVIEW  
THE HARD-  
EARNED 4TH  
THROUGH  
10TH  
BEST!

WITH  
THAT, WHILE  
THEY GET  
CHANGED FOR  
THE FINAL  
JUDGING...

LINH

DISAPPOINTING,  
ISN'T IT? I NEVER  
EXPECTED MISS  
PS-SAN'S "ADVANCED  
SOFTWARE" COM-  
PATIBILITY WOULD  
LEAVE YOUR  
INFERIOR ZINK  
UNWANTED,  
YOU KNOW?

FIRST  
UP, IN  
4TH  
PLACE,  
IT'S  
SP-SAN

LINH ---

BUT,  
THEY SAID  
LIGHTING  
WAS A  
WASTE OF  
ENERGY -

MORE-OVER,  
THE  
EXCEDEDLY  
DIM LOOK  
OF 5TH  
PLACE'S  
ADVANCE-SAN  
SERVED  
QUITE THE  
MISHAP;  
IT'S  
REALLY  
TOO  
BAD!

AND IN 6TH  
PLACE WE HAVE  
THE THREE SWAN  
SISTERS, DESTINED  
TO CHURN OUT FF  
AND SUPER ROBOT  
GAMES INSTEAD  
OF ANYTHING  
CURRENT, THE  
MEANING OF  
THEIR LIVES WAS  
TO BE DEAD ON  
ARRIVAL! HOW  
PAINFUL!

BACK  
OFF,  
ALRIGHT?  
!!

ON YOU,  
A SECOND  
SCREEN  
JUST  
MAKES  
YOU LOOK  
TWICE AS  
SHABBY!

WAITING ROOM

STOP~  
DESU~

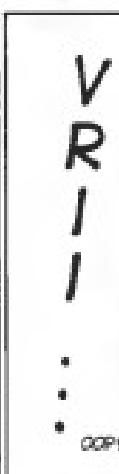

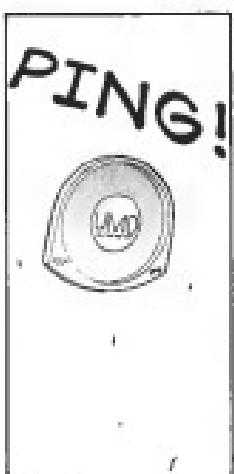

HOW COULD A  
WOMAN AS  
FAT AND  
SHABBY  
LOOKING AS  
YOU SO EASILY  
MAKE IT TO  
THE FINALS  
ALONGSIDE  
A BEAUTY  
LIKE ME?

WOULDN'T  
IT BE  
TERRIBLE IF  
THAT FRAGILE  
TOUCH-SCREEN  
OF YOURS  
GOT ALL  
MARKED  
UP?

I COULD HAVE  
BRUSHED IT  
OFF, BUT TO  
CONTINUE INTO  
THE FINALS  
WITH SUCH  
GLARING  
FLAWS...

KYAA~!

missing victory,  
she is unable  
to rise up for  
a second time.

While UMD is  
launched and  
□ button remains  
unpressed, PSP-san  
cannot operate

# Megaton Punch Volume 6

For a long ass time I have been a huge fan of Kenichi Sonoda.

Since before OpenTrain even existed, I wanted to do some of his untranslated work. A good friend of mine finally relented to my demands and agreed to do a segment of this doujin for me!

Sonoda puts out doujinshi anthologies every so often, this release is only the Sonoda-drawn section of the doujinshi known as Megaton Punch Vol. 6. Maybe we'll do some more of these someday, or perhaps something of his that is less adult in nature.

Just as a note, the Mega Drive judge was named (essentially) Eve in the original, I used Genny here as it seems more like a name and is a slightly more obvious reference to the MD/Genesis.
